

 The Institute of Ismaili Studies

**Client:** Institute of Ismaili Studies, Victoria, London, SW1

**The Project**

Space Audit, Space Planning, Cost Analysis and Programme Analysis for a 20,000 sq ft relocation.

**Client Objectives**

To fully evaluate the business case for relocating to new offices.

**Key Facts**

Having completed the initial analysis, we carried out an appraisal of a building in Great Portland Street and the Client's existing building in Victoria. Based on our findings the decision was made to remain in the existing building.
